

YOUR 3-POINT CHECKLIST FOR MEETING AFA/DDA REGULATIONS

STAIRCASES

Are the stair edges in a contrasting colour?
Do the stairs have an anti-slip surface?

RAMPS

Is there always a ramp for wheelchair users?
Does the ramp have an anti-slip surface and handrails?

HANDRAILS

Are clearly visible handrails included on every set of stairs and ramps?
Do the handrails have a smooth and continuous surface?
